

## The Academy Theatre **WING**

The Academy Theatre **WING** is an organization of volunteers dedicated to supporting The Academy Theatre with both our time and talents. We support many events and fundraisers throughout the year. Activities include operating the concession stand, making and selling candy-grams, selling presentation gifts for performers, and hosting raffles.

**WING** meetings are held the first Tuesday of every month at 5:00pm in The Academy Theatre lounge.

The **WING** is always looking for new members and would love for you to join us. The expected involvement is about 24 hours of personal time per year. We welcome your fresh ideas for fundraising and your talent for making things happen along with your enthusiasm for spreading the word about our theatre performances.

We look forward to seeing you at an upcoming **WING** meeting and working with you in our support of The Academy Theatre.

Thank you!! If you have any questions, please contact The **WING** via:
